

T22 Boat Tracking Device

“The Most Loyal Crew Member”

T22 Boat Tracking Device offers safety and peace-of-mind for boat, yacht and other marine vessel owners.

- Get notified instantly if your boat is used unauthorized while you are away
- Instant alerts in case water leaks or vessel unanchors
- Send SOS message with your coordinates and landmark location
- Reporting for trips, speeds and zone crossings among other features
- Use local language commands on any mobile phone or PC
- No monthly fees, location information with local GPS powered TLD landmarks*

T22 Boat Tracking Device enables you to know always where your vessels are and is easy to install to any sailboat, yacht, watersjet or other marine vessel. It can be installed fully hidden and powered from vehicle's battery.

T22 Boat Tracking Device has special version for each country using local language and local TLD Marine landmarks. There are no monthly or annual fees; the user only pays the normal price of the SMS messages sent.

T22 Boat key features include:

- Send SOS messages with Landmark Location
- Speed Reporting, Trip Reporting, Zone Monitoring etc.
- Add own user locations, waypoints, fishing spots etc.
- Microphone for Listening, Immobilizing (optional)
- Monitor water levels and get alerts via SMS
- Software for Mobile Phones and Fleet Tracking with PC

“My Boat: Motion alarm detected, parked, 0.14 km S of Yacht HavenMarina, Thalang, Phuket, Thailand, 8.16523, 98.33875, 11:28 Feb 1”

(actual sample SMS sent by T22)

“Your vehicles are important to us and Tramigo is committed to quality. All Tramigo T22 Series Products have 24 months International Warranty.”

Best Regards, Arto and Markus, Tramigo Management

T22 Boat Tracking Device is excellent for all marine vessels as well as any asset tracking that requires weather protection. Other Tramigo T22 Series products include special versions for cars, motorcycles and portable usage.

* Exclusive to Tramigo devices, TLD Landmarks make location messages easy to understand. T22 is preloaded with over 10,000 landmarks in your region and allows you to add your own. (waypoints, fishing spots etc)
