

## T22 Portable Tracking Device

“Track any asset, anywhere, anytime”

Keep your mobile assets secure and guide your children or company employees with the Tramigo T22 Portable, the best selling GPS/GSM tracking device in the world.

- Check location of any movable asset anytime, anywhere with text messages (SMS)
- Battery powered for use in backpacks, suitcases or attached to valuable assets
- Get instantly notified when your T22 arrives, or leaves its destination
- Use local language commands on any mobile phone or PC
- No monthly fees, location information with local GPS powered TLD landmarks\*

T22 Portable Tracking Device is perfect for tracking children, security guards, sales representatives or other people moving around on foot. T22 Portable needs no installation and can be carried in the bag or on the belt.

T22 Car Portable Device has special version for each country using local language and local TLD landmarks. There are no monthly or annual fees; the user only pays the normal price of the SMS messages sent.

### T22 Portable key features include:

- Battery powered with sleep modes for prolonged life
- Motion sensor alerts you via SMS when asset is moved
- 95x16x20 mm, weighing only 126g
- Set zones and monitor the routes of your T22
- Handsfree for voice communication via GSM network
- Free Smart Phone and PC Software to track multiple T22's

“My Child: Moving 0.07 km NW of Parklane Shopping Mall, Downtown, Singapore, with speed 6km/h, 22:47 Aug 3

[actual sample SMS sent by T22]

*“Your vehicles are important to us and Tramigo is committed to quality. All Tramigo T22 Series Products have 24 months International Warranty.”*

*Best Regards, Arto and Markus, Tramigo Management*

T22 Portable Tracking Device is excellent for monitoring mobile assets or personnel. Other Tramigo T22 Series products include special versions for cars, motorcycles and boats.

\* Exclusive to Tramigo devices, TLD Landmarks make location messages easy to understand. T22 comes preloaded with over 10,000 landmarks in your region and allows you to add your own. (eg. home, office etc)
